THE VICE PRESIDENT

October 5, 2024

I am honored to extend my warmest greetings to all those gathered for Stand Together AAPI in Norcross, Georgia.

As you know, the freedom to vote is fundamental. Our democracy is stronger when everyone makes their voices heard, and it is weaker when anyone is left out. I commend the leaders of Stand Together AAPI for their dedication to registering and empowering voters and fostering civic engagement within Asian American, Native Hawaiian, and Pacific Islander (AA and NHPI) communities.

AA and NHPI communities have been a vital part of the fabric of our Nation since its founding. Our power and influence are evident from this convening of AA and NHPI leaders from across the Nation. President Biden and I are committed to advancing justice and opportunity for all, including those in AA and NHPI communities. Additionally, we will keep working to pass the John Lewis Voting Rights Act and the Freedom to Vote Act—federal legislation that would expand voter registration and voting access while fighting discrimination. We are proud to stand alongside you as we continue to take on voter suppression, discrimination, and hate in states across America.

Thank you for all that you do. Your work helps to shape and strengthen our democracy. I send my best wishes for a bright future ahead.
